

Accessibility Pass Policy

The Oxford Union is committed to ensuring our members find our events as accessible as possible. If you need any adjustments to access our events, please contact events.access@oxford-union.org where your email will be forwarded to the relevant staff and committee members. We can ensure there is a space reserved for a wheelchair, reserve a seat for those with guide dogs, or make any other necessary adjustments. We have a hearing aid loop, and you should switch your hearing aid to 'T' to access this.

If you need any adjustments with the Library, don't hesitate to speak to the librarians at the Library reception desk to learn more about the adjustments on offer. This includes extended loans, being able to book the height adjustable desks, or support the admission of a proxy borrower among other adjustments. If you are in the Bar, the bar staff can support you in finding a seat or providing a large print copy of the menus.

The Union has a disabled toilet on the ground floor which can be opened with a Radar Key issued by most local authorities. A key is also available from the Library, and the Bar.

Access Committee meets every Friday at 1pm, and members are more than welcome to share any feedback there as well as through our Termly Accessibility Consultation, and to the Disabilities Officer and the Senior Access Officer directly.
